What's Your Pick-up Line?

Strong. Lightweight. Versatile. Aluminum Products for Pick-up Trucks from Ute Ltd®

2 Ute BullBar™

DODGE BULLBAR™

The very latest technology -- uncompromised strength, refined styling and valuable protection. High grade, brightly polished aluminum construction is lightweight, yet strong. Stylish urban design enhances your vehicle's appearance, while providing valuable protection for your vehicle. Does not interfere with the vehicle's carefully engineered crumple zones which are designed to dissipate energy to protect occupants. Crash-tested for air-bag compliance. Winch-mount option available.

DODGE RAM 2nd Generation

(fits 1994-2002 Ram 1500-3500, excluding 2002 model 1500)

RAM BULLBAR™ S2
