

# The Very Latest in Bull Bar Technology.

*Uncompromised strength,  
refined styling  
and valuable  
protection.*

High grade, brightly polished aluminum construction is lightweight, yet strong.

Stylish urban design enhances your vehicle's appearance, while providing valuable protection for your vehicle.

Does not interfere with the vehicle's carefully engineered crumple zones which are designed to dissipate energy to protect occupants. Crash-tested for air-bag compliance.

Winch-mount option available.
